

- This product is not a functional fireplace and should not be used with real candles, heaters, or any heat-producing devices. Do not use with electric fireplace inserts or other heat sources like heaters, candles and open fire.
- When fully assembled, the fireplace frame is freestanding; however, it may tip if pulled or leaned on.
- To prevent tipping, always use the included mantel wall-mounting kit and follow the installation instructions carefully.
- **Plastic Bag Safety**
 - The packaging includes a plastic bag. To avoid the risk of suffocation, keep the plastic bag away from babies, children, and pets. Do not use the bag in cribs, beds, strollers, or playpens.
- **Choking Hazard – Small Parts:**
 - This item contains small cardboard pieces. Not recommended for children under 3 years of age. Keep small parts out of reach of young children and pets.
- **For Indoor Use Only**
 - This product is made of cardboard and is intended for indoor, dry environments. Keep away from moisture and open flames.
- **Supervision Recommended**
 - If used in an area accessible to children, ensure adult supervision to avoid climbing, pulling, or misuse.
